

NOTE: These Plans and Drawings (PDs) were moved from file cabinets and placed into boxes. The first six pages in this set are copies of the original inventory or list of PDs in the file drawers created in 2006, with descriptions added in 2014. The pages following include a detailed list of numbers, dates and descriptions of all of the other PDs placed into this box. Items marked with an "R" were removed due to their condition and were placed into map drawers. See the "Inventory-List of PDs Removed" for the location of those prints and drawings.
