# Freshwater--Suburban Life Is Better

Turfmen and paths of Freshwater owners afford the scenes for photographs.

The still remaining part of Freshwater is shown for the whole lot and for long!

The newly built Parkway residence resembles a touch of Bermuda with Honolulu.

The Wagon Drive home on Freshwater and its attractive landscape effects.

Old Garfield school in center of Freshwater teachers' quarters of the days of Washington.

## Homes Blend With Glens and Valley

BY GUY BERNARDSON  
PHOTO BY BOB DEAN

Freshwater is one of the most attractive suburban communities in the United States. Located in the heart of the San Francisco Bay area, it is one of the best places to live in the world. The homes here are built to blend with the natural beauty of the area. They are built on a hillside, and the view of the ocean is one of the best in the world. The homes here are built to blend with the natural beauty of the area. They are built on a hillside, and the view of the ocean is one of the best in the world.
