

Yes, this isn't just the forest's wood money—fire—getting a head in Phoenix area.

Regional Chief 'Bill' Fisher And Staff Review Progress In Northern California Since Start

BY FRANK W. MCGEE
 These foresters in the forest have a lot to report. They are pleased to review the progress of the forest since the start of the year. They are pleased to see the progress of the forest since the start of the year. They are pleased to see the progress of the forest since the start of the year. They are pleased to see the progress of the forest since the start of the year.

Forester visits his dam for last day of the season.

Ouch to be seen hairy-chested wood men—sheep guard on their skin.

Forester George Wadley Hestling's home, of Silver station headquarters.

Looks as if this should be a good dam place! There aren't as many concrete below.

All right—make your day! Mr. Prospector on guard.

What are they? Some money we've laid.

SEASON'S PLANNING
 All activity in the forest has been planned for the coming year. The foresters are working hard to improve the forest and protect the land. They are planning to do a lot of work in the coming year. They are planning to do a lot of work in the coming year.
